Hi Valerie,

Following up from our call earlier this week, please note that the LTCC All-Committees meeting will be held in the JACCC, Garden Room A (basement level, first door to the right of the elevator). If you plan on using projection, are you able to bring your own projection materials? If not, please let me know!

A reminder per our call:

Wed, 9/20: LTCC All-Committees (3pm, JACCC Garden Room A). This will be a presentation about the CUP and all that it entails + what you all are requesting. After you present (10 mins), and there is Q&A (roughly 15 mins), we will request that you leave so that we can discuss and decide/vote. This meeting starts at 3pm. We have two presentations that day, and while I told you that we could put you all first, I'm now thinking it makes sense for the Union Station Master Plan / Esplanade folks to go first, since their presentation shouldn't require much discussion after the fact. In which case, if you'd like, you can show

Tues, 9/27: LTCC General Meeting (11:45am, JANM) - LTCC general meetings are more useful for general presentations. So you will not need to go into the specifics of the CUP, but can more share updates about what the plans are for the food hall, as well as the building in general. Prior to this meeting, the board will be meeting and voting on the recommendation of the committee that met on the 20th. We do not need you all to come to this meeting. Also, I'm not sure if the vote will also go to the general membership - it could just be an update to our membership about the vote.

Let me know if there are any questions, and feel free to call me.

Thanks,
Kristin

Hi Kristen,

I haven't heard back - wanted to make sure you got the email I sent on Thursday. Anyway please confirm receipt and please let us know re the scheduling and materials.

Also, there are various groups that the Applicant would like to invite to join the meeting, such as some of the local religious institutions, and so forth. Would that be possible? The goal is to consolidate into as few additional meetings as possible so that the various stakeholders are all in the room at the same time. Please let us know if that would be feasible. Jan did not feel that the meeting they would be hosting would be the right venue to invite nonresidents.

Also, if you could please let us know how your meetings run, that would be helpful. For example, do you anticipate that there would be more extensive discussion at the Committee meeting, or at the Board meeting?

Thank you for your assistance and I look forward to hearing back as soon as possible.

Best regards,

Valerie Sacks

Hi Kristin,

Thanks for your follow up. The 420 Food Hall/Shinjuku Station project team is available to meet with your group on those dates/times. Please let us know once you've identified the location for the meetings.

I believe you already have the power point and a copy of the planning set, but please let me know if you would like me to forward them again. I'm loathe to attach them to this email lest it end up in someone's spam blocker. I believe that the planning set is on both the HCNC and DLANC's website, in any case.

Thank you and please confirm receipt.

Best regards,

Valerie Sacks

Subject: Medical Professional Building / 420 Food Hall presentations at LTCC

Hi everyone,

I'm writing to confirm the attendance of the Professional Medical Building / 420 Food Hall team at both LTCC meetings this month -

Wednesday, Sept 20th, 3pm, location TBA (but will be somewhere in JACCC) - LTCC All-Committees Meeting

Tuesday, Sept 26th, 11:45am, JANM - LTCC General Meeting.

I'm including Ellen and Joanne from LTBA/LT BID on this email, who I believe were interested in a separate presentation at LTBA. Ellen and Joanne - FYI, the project timeline for this CUP has been extended to Friday, October 6th. Hopefully that gives you all enough time to meet with the team.

James, Justin, Cindy, Valerie, and Naomi - please let me know if you have any questions in the meantime. Otherwise, I'll follow up with you all soon to let you know about the meeting location for the meeting on the 20th.

Thanks,

Kristin
